### SOS: Song of Solomon: A Youth Study on Love, Sex, Marriage and Romance - Tape 1

JH 2001 774  
*SOS: Song of Solomon: A Youth Study on Love, Sex, Marriage and Romance Series* - Video 1 of 2 Videos. *Do to damage, copy 1 of tape starts mid through the introduction.* Taken straight from the text of scripture, it covers attraction, dating, courtship and intimacy. It is practical, relevant, fun, solid, redemptive-the straight truth. Students, as with adults, don't change the way they live until they change the way they think. This material and God's Hand can revolutionize their lives. It's time to take the Book of Song of Solomon to students. Because most Christian students don't attract or date different from the world, it is very hard for the end result to be different from the world. The traditional dating model doesn't work. Studies show that even Christian students who make the "True Love Waits" commitment are only waiting 18 months longer to have sex before marriage. This is a good start, but God has shown us the better way! The Song of Solomon message teaches attraction, dating, courtship and intimacy-directly from the Bible. The video curriculum features Tommy Nelson who has spoken to over 85,000 adults about the Song of Solomon in nationwide conferences. Please consider exposing your students and families to this all-important message. The Leader's guide that goes with this video is under call number V-Y 250-251 GL, the Student's guide is under call number V-Y 250-251 GS. The book that this video series is based on *The Book*
